

Kenya, Tanzania & Victoria Falls with TFI

Heading into 2015, my company is taking a new brand direction, to focus our efforts on international hospitality, tourism and destination representation.

This issue focuses a positive outlook on two new partnerships and our DMC's transportation. Our travel partners will provide your clients with the newest transfer, safari and touring vehicles that provide optimum comfort and modern conveniences.

I invite you to join me this year on educational FAM tours with our key partners. We are arranging Indaba pre & post trips to key African destinations and Mauritius. Please call or email me today for details. Safe travels ~ Lorenzo Giani
