

Fall DMC & Lodge News

I'd like to share exciting news that we have three new clients joining the TFI team: Incentive Connections in Dubai, Shades of Green Safaris in Tanzania (Arusha), and UTS Turkey, a Virtuoso DMC based in Istanbul.

Shades of Green specializes in Incentives, Meetings & Conferences. Imagine an incentive program in the heart of the Serengeti or the famous Selous National Park. View the amazing Coppodaccia 'fairy tale' cities by hot air balloon with

UTS Turkey. Experience an Arabian night in the deserts of Dubai, Oman or Abu Dhabi with Incentive Connections.

TFI's global reach is as far as Australia as well as South Africa, Zimbabwe, Zambia and East Africa and the Indian Ocean. Working with some of the top DMC's in these destinations, I am happy to quote any large group meeting or incentive, or group leisure trip. Two of TFI's clients belong to the VIRTUOSO Travel network. *Adventure greetings until next time ~ Lorenzo Giani*

Bushtracks Africa Cruises to Victoria Falls

Bushtracks Africa is proud to announce its own unique cruising division using specially designed 'jet propelled' boats that can operate in very shallow water amongst the islands directly above The Victoria Falls. Bushtracks Cruising has two boats that each have two engines for increased safety and you can experience the Zambezi River as viewed by David Livingstone as he canoed, unknowingly, towards The Falls edge. Meander between the islands above 'The Smoke that Thunders', the local name given to The Victoria Falls and discover wildlife swimming from island to island, view aquatic migratory birds, and close up exploration of the flora and fauna. Relax in the hospitality of the Captain and staff as you enjoy refreshments in comfort and grace that is unsurpassed in the region.

In November, I will be heading to Africa on a legendary Safari on my favorite airline South African Airways. I will travel from Johannesburg to the Kruger National Park, the Okavango Delta Botswana, Hwange National Park Zimbabwe, Mana Pools, the famous Victoria Falls, Swaziland, and the Valley of a Thousand Hills in Kwazulu state, after visiting my hometown and my favorite city in Africa, Durban, for my daughter's wedding. Then, I head to Kenya, Tanzania and Dubai – truly a trip to remember.

Please follow me on my social media channels below for real-time postings of my safari experience. Look out for a special January newsletter with a recap.
