Affordable Southern African Safari Lodges, 2017 Rates*

As we go into North America's Fall season and with 2017 ahead of us, I'm sending you a quick reminder of how well-priced the TFI safari lodges are in Southern Africa. Our partners are located in the famous Kruger National Park, the Sabi Sands Reserve, the Okavango Delta, Chobe and the Karongwe Reserve, as well as the Bushtracks locations in Zambia, Zimbabwe and Botswana. TFI can offer you some of the most affordable 5 & 4-star lodge pricing in these regions while at the same time not sacrificing an intensive and breathtaking BIG 5 Safari game drive experience.

TFI lodges are also very kid friendly, welcoming children as young as 6 years of age who are allowed on game drives. With a three-night stay at Lukimbi, kids will receive a welcome back pack.
