We are all preparing for a great **We Are Africa** show in Cape Town and **INDABA** pow wow in Durban, South Africa. We invite you to visit us as well as TFI 's clients at these shows, and experience our exceptional product offerings.

I will be visiting most lodges, camps and hotels in May, including the **Karongwe Portfolio's** Becks Safari Lodge, Karongwe River Lodge, and Chisomo's tented camp. These are really affordable properties and very kid friendly, along with **Lukimbi Safari Lodge** in Southern Kruger Park. I'm excited to see the refurbishment at **Idube Game Reserve** in the Sabi Sands.

**Bushtracks Africa** is celebrating its 21st birthday with an educational at Livingstone and in Chobe, and I'm looking forward to my first visit to **Rra Dinare & Mma Dinare** in the Gomoti plains in the Okavango Delta.

I will be staying at **Tsogo Sun's** wonderful properties; the Maharani in Durban, The Cullinan in Cape Town, Southern Sun Airport and Intercontinental hotels, Garden Court Marine Parade in Durban, as well as a long anticipated visit to the **MAIA Luxury Resort & Spa** in The Seychelles, an amazing island chain in the Indian Ocean.

I'll see you at We Are Africa, INDABA or on the road (perhaps we will pass each other in the African bush). *African dreams ~ Lorenzo*
