

Join us for an Educational Tour in May 2018 with

Under One Botswana Sky

With the recent addition of Rra Dinare to its portfolio, Under One Botswana Sky can now offer a complete Okavango Delta circuit – Rra Dinare (Eastern side of the Delta), Pom Pom Camp (Western side of the Delta) and Moremi Crossing & Gunn's Camp (Central Okavango Delta). **Rra Dinare's common-rated sister camp is scheduled to open in the upcoming months.** The Green Desert Safari circuit of Under One Botswana Sky's safari camps and lodges explores "desert" areas such as the Okavango Delta, Linyanti, Chobe, Nxai Pan and the Central Kalahari. Guests will experience a mix of different camps, activities and cultures. We invite you to join TFI as we explore the circuit in May. **Space is limited so please contact me today.** ~ Lorenzo
